Answer:no

Sales Team:
Answer:no

Any other users?
Answer: no

SECTION 3 - PRODUCTS

How many different products are manufactured?
Answer:

List all products:

Product Name:
Answer: Spadikam comb

Product Code:
Answer:1

Selling Price:

Answer:360 per gross

Manufacturing Cost:

Answer: 300 around

Product Name:

Answer: Spadikam Magic comb

Product Code:

Answer:5

Selling Price:

Answer:366 per gross

Manufacturing Cost:

Answer: 300 around

Product Name:

Answer: Magic round comb

Product Code:

Answer:18

Selling Price:

Answer:720 per gross

Manufacturing Cost:

Answer: 500 around

Product Name:

Answer: thilakam magic comb

Product Code:

Answer:3

Selling Price:

Answer:312 per gross

Manufacturing Cost:

Answer: 300 around

Product Name:

Answer: 9 inch spadikam magic comb

Product Code:

Answer:9

Selling Price:

Answer:72 per dozen

Manufacturing Cost:

Answer: 36 around

Product Name:

Answer: 9inch handle magic comb

Product Code:

Answer:25

Selling Price:

Answer:72 per dozen

Manufacturing Cost:

Answer: 36 around

Product Name:

Answer: 7inch barber Spadikam comb

Product Code:

Answer:7

Selling Price:

Answer:36 per dozen

Manufacturing Cost:

Answer: 24 around

Product Name:

Answer: Spadikam hanger

Product Code:

Answer:21

Selling Price:

Answer:150 per dozen

Manufacturing Cost:

Answer: 75 around

Product Name:
Answer: Spadikam cloth clip

Product Code:
Answer:22

Selling Price:
Answer:15 per dozen

Manufacturing Cost:
Answer: 10 around

Repeat for each product.

Do products have different colors?
Answer:all are multi colored , all colours pay the same

Do products have different sizes?
Answer:yes , accordingly each product in named

Best selling products?
Answer:spadikam comb

Least selling products?
Answer:cloth clip

SECTION 4 - RAW MATERIALS

List all raw materials used.

Material Name:
Answer: lldpe

Unit: 500kg
(Kg/Pieces/Liters/etc)

Supplier:
Answer: kvn impex

Current Stock Tracking Method:
Answer: written method

Minimum Stock Level:

Answer: 250 kg now

Reorder Level:

Answer: when materials 50 kg reorder

Material Name:

Answer: pp

Unit: 100kg

(Kg/Pieces/Liters/etc)

Supplier:

Answer: kvn impex

Current Stock Tracking Method:

Answer: written method

Minimum Stock Level:

Answer: 25 kg now

Reorder Level:

Answer: when materials 25 kg reorder

Material Name:

Answer: ld

Unit: 100

(Kg/Pieces/Liters/etc)

Supplier:

Answer: kvn impex

Current Stock Tracking Method:

Answer: written method

Minimum Stock Level:

Answer: 0 kg now

Reorder Level:

Answer: when order is there only purchased

Material Name:

Answer: master patch

Unit: 100kg
(Kg/Pieces/Liters/etc)

Supplier:
Answer: radiant

Current Stock Tracking Method:
Answer: written method

Minimum Stock Level:
Answer: 100kg now

Reorder Level:
Answer: when materials 25kg reorder

Material Name:
Answer: cover

Unit: 500kg
(Kg/Pieces/Liters/etc)

Supplier:
Answer: cover suplier

Current Stock Tracking Method:
Answer: written method

Minimum Stock Level:
Answer: 200kg now

Reorder Level:
Answer: when materials 25 kg reorder

Repeat for all materials.
